*The weight of paper can change the spine size needed.

Accessories

Contact Forever Design for current pricing.

Business Card Pockets

No presentation is complete without a business card. Leave your card where they won't lose it - in a self-adhesive business card pocket!

Diskette Pockets

A handy, self-adhesive storage pocket for your diskettes.

CD Pockets

Want to include digital images, product tours or a digital portfolio in your presentation? Put it in a self-adhesive CD Pocket and attach it to your Portfolio.

Triangular Pockets

Self-adhesive triangular pockets are perfect for brochures, pamphlets or resumes.

Gold Corner Sets

Protect and upgrade your SteelBooks with gold corner sets! The corners provide solid protection and give an exclusive look to your presentation materials.

Printing of Contents:

Contact Forever Design for current pricing of printing. Full color laser printing or commercial press printing. A variety of papers are available for your projects.
